Towards the end of July I was given notice by USAC that there were improperly disbursed funds. The notice stated we had 60 days to appeal the findings or a demand for payment will be sent. All of our USAC funds are requested directly by Clearwave so I felt the mistake would have to be on their end and contacted Clearwave when the notice was received. They dug into their accounting and got back to me today.

We will end up owing USAC \$2,160.

Through their accounting review, Clearwave determined we are owed \$4,320 from them. They are not issuing this as a credit, I understand a check will be cut. Of that \$4,320, in 30 days we will get a demand for payment with instructions of how to return \$2,160 to USAC. The remaining \$2,160 is ours from being over billed during the 1617 school year.

We are informing you that a Recovery of Improperly Disbursed Funds (RIDF) has been issued for E-rate funding you received. Attached are copies of the RIDF and supplement for your review. These documents provide important information about changes that USAC has determined are necessary for previously disbursed funds, and any reimbursement that may be owed to USAC. The supplement is an Adjustment Report in a spreadsheet format that indicates the amounts to be recovered and associated funding request numbers.

You may also view the RIDF and supplement in USAC's E-rate Productivity Center (EPC) by clicking on the link below. What is in this letter?

Thank you for submitting your application for Funding Year 2019 Schools and Libraries Program (E-rate) funding. Attached to this letter, you will find the funding statuses for the FCC Form(s) 471, Services Ordered and Certification Form, that you submitted and referenced above.

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

Next Steps

1. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying the full cost for the services you receive.
2. Review the [Children's Internet Protection Act \(CIPA\)](#) requirements and file the [FCC Form 486](#) (Service Confirmation and CIPA Certification Form). **The deadline to submit this form is 120 days from the date of this letter or from the service start date (whichever is later).**

3. Invoice USAC

- **If you (the applicant) are invoicing USAC:** You must pay your service provider(s) the full cost for the services you receive and file the [FCC Form 472](#), the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
- **If your service provider(s) is invoicing USAC:** The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the [FCC Form 474](#), the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, service providers must file an [FCC Form 473](#), the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
- **To receive an invoice deadline extension, the applicant or service provider** must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

Note: The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the [E-rate Productivity Center \(EPC\)](#) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's [website](#) for additional information on submitting an appeal to USAC, including step-by-step instructions.
- **To request a waiver of the FCC's rules**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the [Electronic Comment Filing System](#) (ECFS). Include your contact information, a statement that your filing is a waiver request, identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake to assure that committed funds are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction of USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Revised Funding Commitment Decision Comments:

Post Commitment Rationale:

Pursuant to 47 C.F.R. sec. 1.1910(a)(1), USAC determined that you or an entity sharing the same Taxpayer Identification Number (TIN) has been delinquent on the payment of a debt owed to the Universal Service Administrative Company (USAC) and/or the FCC. We issued a Notice of Withholding Action explaining the nature of the debt(s) owed and the consequences of not satisfying the debt within 30 days of the date of the letter. USAC dismissed your application and denied all funding requests included in that application due to the fact that your debt(s) had not been satisfied. In your appeal, you have not shown that USAC's determination was incorrect. Consequently, your appeal is denied. You have been delinquent on your non-tax debt(s) owed to the FCC. FCC rules

require that action be withheld on any application or request for benefits made by an entity found to be delinquent in its debt(s) to the FCC. The rules further state that the entity will be informed that action will be withheld on the application[s] until full payment or arrangement to pay any non-tax delinquent debt owed to the FCC is made and/or that the application may be dismissed. See 47 C.F.R. sec. 1.1910(b)(2).
